6	<p>Sussex Championships</p> <p>We had issues with gymdata not working on the Sunday as they were struggling with internet connection, also the triangle didn't let them into the venue.</p> <p>We will be looking at other potential venues The Bridge has a 6 court hall which we could look into. Book a meeting with the Triangle.</p> <p>Vault on Saturday could have run smoother if we had been informed that the triangle had a vault in the store cupboard. The computer also didn't work for tumbling which delayed the competition.</p> <p>Fine designs have emailed us to thank us for the weekend. They have also booked in for next year's competition. We have still yet to receive a figure from DE photographs and Little Stars</p> <p><i>Agenda Point for next meeting – rules for Sussex champs to be discussed.</i></p> <p>Tumble raised some points for next year's competition – could we split the competition levels with the first 2 levels compete in the morning and the higher levels compete with floor and vault in the afternoon. Could we have the tumble track moved to the back of the hall as we had issues with people walking across the path or tumblers, this also means that it could be put away earlier. Can we make the Sussex committee more visual at competitions with t-shirts.</p> <p>We have provisionally booked dates for next year's competition 22/23 and the weekend after and continental</p>	EB	Verbal
