

Sussex Report October 2019

New tumble club – BeGymnastics – hopefully will be registered with Sussex soon if not already done so. This will take tumble clubs in Sussex to 6 – Hollington, Sky High, Bevendean, Dyson, Triangle & Begymnastics

NDP finals – No medals for Hollington, Bevendean or Sky High but all gymnasts performed well and enjoyed the experience of a major competition.

Hollington have now brought their new track and are hoping to be able to use it for future competitions as well as training.

Judging course in August did not take place due to lack of numbers. Not sure when next course will be

Still waiting for level 2 tumble courses in the south region

Sussex Champs – Day went well with Hollington, Sky High & Bevendean attending. Dyson & Triangle said date wasn't right for them to enter. Nice being with DMT, shame were not able to run both disciplines at same time. Need to look into venue for next year.

Hollington DMT no longer exists. Name changed to East Sussex Bouncers. Had to move for a few reasons – New track was wider so DMT couldn't fit between the floor and track, the vault had broken from the continuous moving and advised to move it as little as possible in the future.

East Sussex Bouncers now being based in Bexhill. Not sure of venue or when starting as DMT still being stored at Hollington at present time.

Hollington holding their annual comp weekend of 25<sup>th</sup> & 26<sup>th</sup> January 2020.
