

Sussex Treasurer report 16th January 2017

Balance @ 16/01/167@ 15:06 £33,655.03

I am still not getting all the information required to enable me to check if entry fees have been paid or not.

I am not totally sure if all fees have been paid or not.

I am happy to have invoice sent directly to me to pay, but please make sure you let me now they are on the way. I will not pay them unless I am expecting them.

I am just keeping all invoice, spreadsheets, etc. in files. I have not done much more e.g discipline spreadsheets. I do not have the time.
