Other

Many of the events reported above were not included in the Sussex calendar. Discipline reps should ensure the secretary is informed of all events they have organised.

5. Welfare report

There are an increasing number of occasions when welfare officers have asked gymnasts and coaches to remove jewellery. More people are ignoring this policy. People are also becoming increasingly rude when asked to remove jewellery, often stating reasons why the policy should not apply to them.

Option of adding a disability category to F&V

This will be explored by Beth Burchett.

Who should attend committee meetings?

Only those on the committee are invited to "Management Committee meetings" (i.e. the regular meetings held four times per year).

The committee may invite others from time to time if appropriate.
