

Festival discipline report July 2023

Chichester gymnastics club have currently stopped taking part in Festival events leaving Dysons the only Sussex club doing these.

Dysons are in the early stages of working towards the international event 'Gymnastique Magique' in Disney land Paris in October 2025, with 18 gymnasts signed up to take part and active recruiting going on for the rest of this year and early into next year.

At the recent SE meeting I enquired about the possibility of a SE rep for Festivals but was told this fell under GFA so I will be liaising with the GFA rep Kim to get some momentum in Festivals across the SE.

I am currently working on looking at costing and interest in a Festival event that is open to all Sussex clubs and ways to make it appealing for clubs in particular aimed at recreationals. I would appreciate if anyone that has been instrumental in the running of Sussex events such as the champs could let me know if they would be willing to offer me an hour or so of their time to help me get started on how to plan and cost out these things as I haven't run anything within the county before.
