

Sussex Chair Report AGM 2022

As I have only been acting Chair since 18th November 2021 when Emma stepped down I do not have much to report.

2022/23 we have had 26 club affiliate to Sussex.

The committee felt that it was unrealistic to immediately rekindle the 2 day Sussex Championships when many clubs were concentrating on rebuilding their own clubs after the difficulties of the passed 2 years.

Discipline specific Chairs reports will show that Sussex has started to offer Championships on an individual discipline basis within their own venues. Going forward discussion will need to be had about whether we hold the Sussex Championships weekend or continue along these lines.

Thank you to Keith for supporting the clubs with funding during covid and continuing to keep our accounts up to date.

Thanks to Richard who like myself has stepped in to take on the county secretary role on a temporary bases, I feel this alongside the treasure is one of the most important roles as it keep the clubs informed. Also, thanks go to Richard for keeping all information posted on our website.

I would like to thank Lisa for continuing to support the committee in her roles as Vice Chair and WA

Moving forward I hope to see more / new people taking on positions on the committee. Although currently serving as temporary chair I will not be offering to stand for the chair position on a permanent basis.
