

Sussex report January 2023 – women's artistic

County squad has been reselected for 2023 with 40 gymnasts from 7 different Sussex clubs involved.

Grades is the next set of competitions within the region with English Championships and British championships also taking place in February and March.

There appear to be no changes to grades at this moment but if anything does get altered I will try to let clubs know ASAP.

Judging course information can now be accessed through the BG website.
