Communication

There were a few comments on the lack of communication from members of the County (chair's report and feedback from clubs).

1. All communication on behalf of the county should be copied to *at least* one of the County's officers (i.e. chair, vice-chair, treasurer, secretary, welfare officer).
2. Discipline representatives must tell the secretary of any forthcoming dates as soon as possible so they can be added to the website.
3. The County website is kept up to date. Members are encouraged to regularly look at the website for dates and news.
4. The County's website includes webmail forms for contacting Officers and clubs. It is essential people let the secretary know of any change in email address so the webmail form can be updated.
